1. Claims 1-9 are allowed. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or obviously suggest the claimed invention.
2. Specifically, no teaching or obvious suggestion was found of the limitation "conveying a sample of the vapor escaping from the lubricant to an ion mobility spectrometer" as in claim 1.
3. Similarly, no teaching or obvious suggestion was found of the limitation "an ion mobility spectrometer connected to said sample withdrawal line, and an analysis unit connected to said ion mobility spectrometer" as in claim 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
